OF THE

CATARACT CONSTRUCTION COMPANY,

NIAGARA FALLS, N. Y., 23 July 1893

Dear Professor Cortland

I propose to travel to Chicago Wednesday night & to be at the Exhibition grounds Thursday morning the 27th. I hope I shall be able to proceed to the examination of exhibits without any delay. I trust that Mr. J B Thacher answered the letter addressed to him in a satisfactory manner.

Yours truly

George Forbes
